Important information about products returned for service

Protecting your data;

As a part of a repair, it is likely that Helvar service will need to format any memory inside the product. Therefore, before sending your product Helvar, you are responsible for making a back-up copy of your product. Helvar Service will not be responsible for any damage to, or loss, of any data stored on your product.

Packaging of product;

Products returned must be packed securely and ESD safe. If product is returned with dis-regard of using the appropriate packaging, returned products will be voided of warranty status.

No Fault Found;

If a product is found not to have a fault or warranty has been voided, a charge will be made to cover the costs for administration and investigation - £50.00 exc. VAT

Refused Estimates & Beyond Economical Repair - 'Out of Warranty';

If you decide not to proceed with an estimated repair then the following charge will be applied: Refused Estimate Administration Charge - £50.00 exc. VAT
